

Application Process for Wild Card / Exemption
for
Men's European Championships, Brussels, Belgium
17th - 28th August 2016

The Team Ireland Sub-committee are accepting applications, which will be passed to the Team Ireland Group Selection committee for review and decision, for two Wild Card positions in the Roll Offs or one Wildcard and one Exemption per the Team Ireland Selection Process. The deadline for applications is midnight (00:00hrs) on Monday 21st of February. NO EXTENSIONS WILL BE GRANTED. All applications will be passed on to the Team Ireland Group Selection committee for evaluation.

Who does this apply to?

Persons outside the Top 10 in the Rankings after the National Championships Ranking points have been allocated, who feel they may be eligible for a Wildcard / Exemption may make a written application to the Committee stating their case and why they feel they are deserving of a place on the Panel / Team respectively. The Selection Committee will then make a decision based on the merits of this application. There is no requirement for the possible Wildcard / Exemption spots to be filled or any guarantee of an application being approved even if those spots are not filled. All applications will be reviewed fairly and objectively with the ultimate mission of achieving the best and strongest Team Ireland possible.

Examples of reasons for which a Wildcard / Exemption can be applied for include

A player returning from injury and has displayed their quality in tournaments / leagues since their return.

A player who competes in overseas tournaments, which limits their participation in domestic tournaments. A player would however have to show their support by playing in a minimum of three domestic tournaments when not competing overseas.

A player living / studying overseas, however a player would have to display their qualities in tournaments / leagues in the area where they currently reside.
