ITBA EXECUTIVE COMMUNICATION (No: 6 2015)

ITBA Governance Review - Insurance

Our internal review of Governance identified potential financial risks to Members in not having the following three insurances policies in place:

1. Public Liability up to €6.5m.
2. Professional Indemnity up to €1m.
3. Directors & Officers Liability up to €1m.

The Executive now confirms that these insurance policies, for the protection of Members, Coaches, Volunteers, Executive and Sub-committee members, while engaged in ITBA authorised activities, have been put in place for the period 22nd July 2015 to 21st July 2016 inclusive. Full Insurance Policy details are available to Members on request to the ITBA Secretary.

A decision was also taken, not to proceed at this juncture, with Personal Accident Policy of up to €30,000 for Members, as the cost benefits of such insurance were questionable and as it would have required an increase in Annual Membership. The position will be monitored and reviewed annually.
