50th Qubica / AMF Bowling World Cup

03-Nov-14 to 09-Nov-14

50th Qubica/AMF Bowling World Cup, Sky Bowling, Wroclaw, Poland

On behalf of all Members, the Executive wishes to extend best wishes and good luck to Aidan Byrne and Amanda Larkin, who will represent Ireland at next week's Qubica AMF Bowling World Cup in Wroclaw, Poland.

In June of this year, both players earned their spot in the 50th anniversary edition of the event by winning the Irish Bowling World Cup Qualifying Finals in a hotly contested and very competitive event.

The competition gets underway on Tuesday afternoon (Irish time) and qualifying for the Top 24 concludes on Friday, before the finals get underway on Saturday.

We will follow both Aidan and Amanda's progress with interest, and we are sure both competitors will represent their country and our association with great pride at this prestigious International tournament.
