26th July 2021

Dear Member,

Due to the unprecedent absence of bowling over the last year, We, the Executive of the ITBA, would like to inform all our members that we have extended your ITBA membership that would have expired on 30th September 2020, to 30th September 2021.

For those members who renewed their membership for the 2020/21 season, we have extended that membership for the 2021/22 season too.

We hope to see you all back bowling again as soon as we are safely able to do so

THE EXECUTIVE COMMITTEE
