

Team Ireland Selection Process and Eligibility

- Modifications have been made to the Ranking System for the 2013/2014 season. These have been designed so that places on Team Ireland are awarded on merit, and to encourage competition in the Rankings throughout the season.
- Players will compete for a place on a Team Ireland through the Ranking System, which is operated on a rollover basis (from the beginning of this new system). Current Team Ireland Rankings as of September 2013 will be reset to zero to start from the beginning with the new system.
- This system applies for both the Men's and the Ladies Team Ireland
- Bowlers must be current members of the ITBA to qualify for ranking points
- In order to be eligible for a place on a Panel, a player must hold a valid Irish passport.
- Ranking points will be allocated based on a player's final position at the end of a tournament (unless otherwise stated), provided the relevant Team Ireland Rules including Dress Code have been adhered to. **See Team Ireland Rules document.**
- The Rankings will be calculated from the following 10 tournaments, with the best 6 scores counting for each individual:
 - The National Championships
 - The Irish Open
 - World Cup Qualifier
 - Rocks Jewellers Tour stops x 7 Standard Events. Rocks Jewellers Tour end of season Grand Final is NOT a Ranking Event for Team Ireland Selection
 - Note: Ranking points will be awarded for each individual Rocks Jewellers Tour stop based on Scratch scores taken after the 5 games qualifying. Knockout Finals are not taken into consideration due to the extra variance of finishing position possible in this year's new Monthly Final Format.
- A breakdown of the Ranking points for each tournament can be found below.
- A Team Ireland Panel will consist of:
 - The Top 10 players taken from the Ranking list at the time of selection
 - The Top 2 Under 19s bowlers from the end of season Junior Rankings System
 - Two possible Wildcards, available to players outside of the Top 10.
- Wildcards - Persons outside the Top 10, who feel they may be eligible for a Wildcard may make a written application to the Committee stating their case and why they feel they are deserving of a place on the Panel. The Committee will make a decision based on the merits of this application. There is no requirement for the two possible Wildcard spots to be filled or any guarantee of an application being approved even if those spots are not filled. All applications will be reviewed fairly and objectively with the ultimate mission of achieving the best and strongest Team Ireland possible. Examples of reasons for which a Wildcard can be applied for include:
 - A player returning from injury and has displayed their quality in tournaments / leagues since their return.
 - A player who competes in overseas tournaments, which limits their participation in domestic tournaments. A player would however have to show their support by playing in a minimum of three domestic tournaments when not competing overseas.
 - A player living / studying overseas, however a player would have to display their qualities in tournaments / leagues in the area where they currently reside.
- A Panel will consist of a maximum of 14 players.
- The composition of Team Ireland (6 bowlers) will be as follows:
 - The Top 3 from the Rankings will earn a **guaranteed automatic spot** on Team Ireland

- The remaining Panel members, positions 4 through 10 in the Team Ireland Rankings, the Top 2 Ranked Under-19s, and any Wildcards will compete in a roll off in order to determine who will earn a place on Team Ireland.
 - A Roll Off for a Triple Crown will consist of 16 games held in 2 different centres
 - A Roll Off for a European or World Championships will consist of at least 24 games played on a number of different patterns held in at least 2 different centres.
- On completion of the roll off process, the top 3 players from the roll off will be invited to take their place on Team Ireland in addition to the 3 automatic players. Reserves will be taken from the remaining Panels in descending order of Roll Off finishing position (7th place = 1st reserve, 8th place = 2nd reserve, etc.).
- The selection process for the World Singles Championships will differ from the above. As teams will consist of a smaller number of players than detailed above, the men and women ranked 1 and 2, as on 1st June in the year of the Championships, will be invited to take their place on Team Ireland to participate in the Championships. Reserves will be taken from the ranking lists in descending order (3rd place = 1st reserve, etc.).
- In the unlikely event of any positions on Team Ireland remaining unfilled after the above process has been completed and all panels members have been invited, the Team Ireland Committee retains the right to fill any remaining positions in any way it sees fit, keeping the mission of fielding the best & strongest Team Ireland possible at the forefront of any decision made.
- All Panels are forwarded to the Executive Committee for ratification.
- The Ranking points for the tournaments are as follows:

- Ranking points beyond 20th position continue with decreases in points as per the sequences from 6th place onwards until they reach the allocated Minimum Points for that particular tournament.
- When this sequence reaches the Minimum Points outlined for each tournament, all players finishing below this position (and meeting the criteria for earning Ranking Points per this Process) will receive the allocated Minimum Points for that particular tournament.
